

# Made in the Trade

While exploring various career paths, you may find yourself interested in working with your hands through trade occupations. While this journey may stray from what some consider the “traditional” college route, it should certainly not be looked down upon. In fact, many trades have the opportunity to earn an annual average wage above the state average. Take a look at how some select trades in Arkansas might be right for you.

## Where are they in AR?

35.2% of the state's Carpenters are in Northwest Arkansas
